WORLD EPS CONFERENCE

# MANUFACTURING FOR THE FUTURE

## INVITATION TO ATTEND

On behalf of the organising committee we are pleased to invite you to participate in the **Inaugural AirPop Australasia Conference** which will be held from Wednesday 1<sup>st</sup> November to Friday 3<sup>rd</sup> November 2017 in Melbourne, Australia.

The theme of this conference is **'Manufacturing for the Future'**. This world industry conference, will offer opportunities for participants to build reputation on a global platform, make connections with international partners, introduce products to a new market as well as share knowledge on international practices.

All expenses in relation to the conference, including registration, travel and airfares, accommodation, pre- or post-conference tours, meals and general expenses will be your own responsibility. The conference is unable to provide any financial support.

You are responsible for obtaining all documents required to facilitate your travel to Australia, including a visa. Please contact the embassy or consulate in your country to obtain information regarding an entry visa and other international documents / requirements for travelling to Australia.

For further information about travel to Australia visit the Department of Immigration and Border Protection's website at <http://www.border.gov.au/>.

**Conference Design and the AirPop Australasia organising committee are not able to provide any further documents or references on your behalf. This letter contains all the necessary information you will require from us and is only issued in this format.**

Once you have obtained your visa, please contact us to confirm your visa has been issued and to arrange a registration and accommodation. All registrations must be finalised and paid in full six weeks prior to the conference.

For further information about the conference visit the conference website.

We wish you all the best in obtaining a visa to attend this conference.

Your sincerely

AirPop Australasia 2017 Organising Committee
